GENERAL TERMS & CONDITIONS

Details of the facility opening hours are displayed in the facilities, and are also available at <https://www.trinityfitness.co.uk/>. Trinity Fitness does, however, reserve the right to close the facility for public holidays, university closure days, tournaments, exhibitions or other activities, or in connection with any repair, alterations or other maintenance work, or if instructed to close by Leeds Trinity University. When it is necessary for the facilities to change or restrict the opening hours or availability, notices will be displayed reasonably in advance.

ZERO TOLERANCE POLICY

Trinity Fitness operates zero tolerance policies against harassment, bullying and discrimination and any forms of violence and aggression. The policy is for the protection of all staff, students, members, and visitors to the facility. Trinity Fitness define harassment and violence as unacceptable behaviour by one or more individuals that can take many different forms, some of which may be more easily identifiable than other. Such behaviour may result in you being asked to leave the facility and your membership terminated.

HEALTH COMMITMENT STATEMENT & TRINITY FITNESS STATEMENT OF INTENT

Our Commitment To You

Trinity Fitness intends to provide all members with a comfortable, safe and enjoyable experience whilst using its facilities. Accordingly, all members must comply with the terms of this agreement and the rules of membership as published from time to time by Trinity Fitness for the use of any of its facilities.

- We will respect your personal decisions and allow you to make your own decisions about what exercise you can carry out. However, we ask you not to exercise beyond what you consider to be your own abilities.
- We will make every reasonable effort to make sure that our equipment and facilities are in a safe condition for you to use and enjoy.
- We will take all reasonable steps to make sure that our staff are qualified to the fitness industry standards.
- If you tell us that you have a disability which puts you at a substantial disadvantage in accessing our equipment and facilities, we will consider what adjustments, if any, are reasonable for us to make.

Your Commitment To Us

- You should not exercise beyond your own abilities. If you know or are concerned that you have a medical condition which might interfere with you exercising safely, before you use our equipment and facilities you should get advice from a relevant medial professional and follow that advice.
- You should make yourself aware of any rules and instructions, including warning notices. Exercise carries its own risks. You should not carry out any activities which you have been told are not suitable for you.
- You should let us know immediately if you feel ill when using our equipment or facilities. Our staff members are not qualified doctors, but there will be a person available who has had first aid training.
- If you have a disability, you must follow any reasonable instructions to allow you to exercise safely.

LIMITATION OF LIABILITY

- Trinity Fitness cannot be held responsible for any service or facility being unavailable for reasons outside of our control.
- Trinity Fitness reserves the right to make alterations to services, the program of activities and facilities. Wherever possible, members will be provided with advance notice.
- You are responsible for ensuring that you correctly and safely operate or use any facilities and/or equipment (including adjusting levels and settings). If you are in any doubt you must consult a Trinity Fitness staff member.
- You are responsible for wearing the correct attire for exercising. Any member not wearing suitable attire may be asked to leave the gym or refused entry.
- We do not accept any liability for any injuries, damage or any other loss caused by any negligent act of those providing personal training sessions that are contracted separately with the personal trainers' contract.
- Members and their guests are required to comply with all reasonable requests and instructions in relation to the health and safety of themselves, other customers and staff.

- Trinity Fitness liability to compensate you for any loss or damage (in the case of loss or damage other than death or injury) is limited to a reasonable amount, having regard to such factors as whether the loss or damage was due to negligence by us.
- Relevant United Kingdom law shall apply to this contract and the relevant courts of the United Kingdom shall have exclusive jurisdiction to deal with any disputes arising in relation to it.

DATA PROTECTION
